Vauxhall Christian Trust – Booking Application 2017

75% of total estimated cost must be paid one week or more before arrival

We require you to settle your bill before departure

Final hiring charges will be calculated based upon final numbers attending the site with a minimum group size for certain weeks/weekends (please see overleaf for more details).

Cancellations:

We hope that your booking goes ahead successfully as planned, but **in the event of a cancellation with less than 6 months notice** we may have to ask you to pay the loss of revenue that Vauxhall Christian Trust sustains, unless the cancelled dates are filled. **Cancellation within 4 months will normally require full payment for the minimum number stated for your booking.** The 20% initial deposit is non-returnable should the booking be cancelled at any time.

Minimum group size:

Unless agreed otherwise Easter and summer peak weekends/weeks require a minimum paid group size of 50 overnight campers (for example you will need to pay for 50 even if you only have 45 overnight campers) and most other weekends and weeks during the season have a minimum paid group size of 30.

Gas:

If groups require gas heaters in the marquee or games area please enquire about this from the site managers. Gas is charged for per bottle at cost price, the cost therefore can vary so please speak to the site managers about this.
